# DSW

DSW is now implementing electronic purchasing (850, 860) for our accessory vendors!

The EDI format for the 850 and 860 is different for accessory orders than it is for shoe orders. With that in mind, we have updated our vendor site to include two sections; one for shoe vendors and one for accessory vendors.

Accessory vendors are not required to provide ASNs at this time.

If you have not been contacted to begin DSW EDI compliance testing for accessory orders but you are interested, please contact the appropriate buyer.

For any questions or concerns regarding these changes, please contact Melissa Schmidt at (614) 238-4058 or [edi@dswinc.com](mailto:edi@dswinc.com).
